

Origami Message Heart

Make your own sweet message heart– share kindness through thoughtful messages!

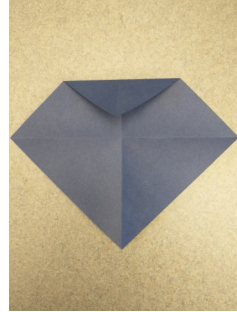

Start with a square piece of paper

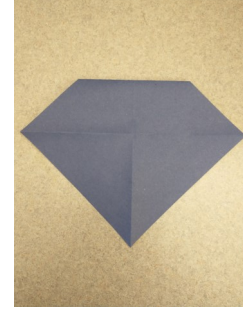

Diagonally fold paper in half Unfold

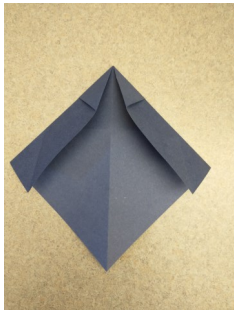

Fold on the other diagonal Unfold

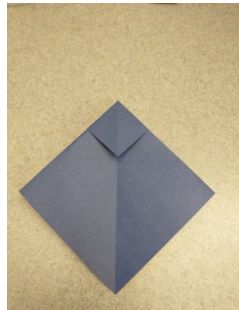

Fold the top corner down to meet the center crease

Flip over

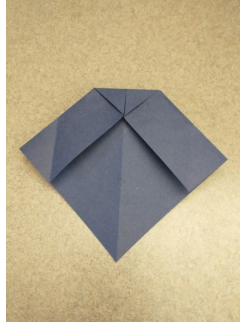

Fold the outer edges down to make a perfect square

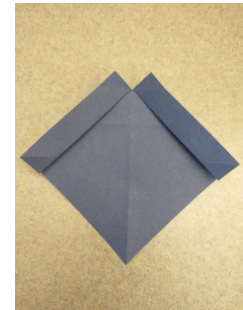

Flip over.

Fold down the top tip until it meets the crease

Flip over again

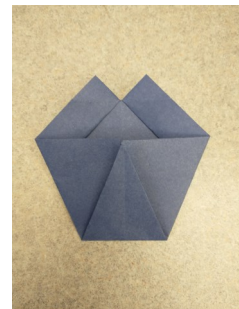

Fold the two sides up and open up the fold at the top of the shape to lay the folds flat

This makes the top of the heart!

Fold the sides in so they meet in the middle crease

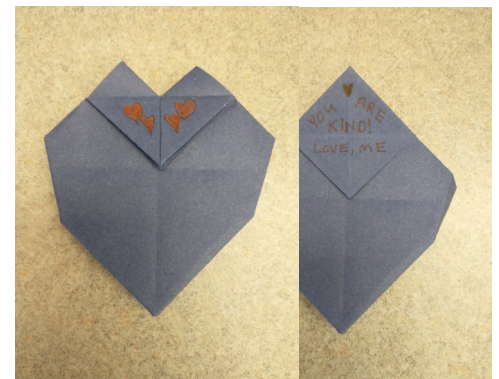

Fold the bottom point up to meet the tip of where those two folds meet

Crease in the bottom corners and side corners to create a heart shape

Flip over

Here's your finished heart!

Draw or write a note on the top part and a surprise note when you lift the tab.
