Committee Reports

Ypsilanti District Library
Board of Trustees Meeting
Minutes, October 25, 2023 (Unapproved)

Superior Township Planning - Director Hoenig advised she has had some trouble with TelSystems responsiveness and has asked again for an estimated time of completion on items that need to be resolved. However, other than that we seem to be working towards a resolution of all outstanding items.

Facilities – On Tuesday, October 24, 2023, Enlighten Solutions travelled to the Whittaker Road location and installed a sample of the new lights above the customer service desk. Director Hoenig advised that not only is the light considerably brighter, but she also really enjoys the shape and style of the new lights. She stated that the rest of the lights should be installed around mid-November once a crew is scheduled to complete the work, as all the supplies and materials are now ready.

Director Hoenig also shared a picture of the Whittaker downstairs, youth area family restroom, which has experienced heaving on the floor near the drain. Dan Whisler, Facilities Manager Jim Reed and Director Hoenig investigated and discovered that the top portion of the drain has completely rusted through. The rust apparently pushed up on the tiles and drain cover. Mr. Whistler advised in all his years he has never seen anything like this. Director Hoenig asked the Board for some direction on this issue, as there is a need for plumbing, concrete, tiling and other trades to resolve the issue. Specifically, Director Hoenig asked the board if she may activate the Emergency clause of the Purchasing Policy, or if she should follow the normal procedure and request quotes for the November 2023 board meeting. Both Trustee Maddix and Trustee Winborn spoke up in favor of the use of the emergency purchasing clause. Vice President Kennedy asked the Board if there was anyone with a difference of opinion, and there was none. Permission was granted to pursue a fix for the issue using the Emergency Purchasing Clause.

Director Hoenig also discussed participation in the retro-conditioning program from DTE. This program assists customers in discovering energy savings by identifying ways to make building systems more efficient.

She briefly discussed the project to repair the roof fins above the curtainwall at Whittaker. She advised the project is complete.

Finance – Trustee Maddix spoke about the meeting held on Tuesday, October 17th. She advised the packet accurately represents the discussion held at that time.

Friends of the Library – Trustee Steimel reported that there is \$45,000.00 in cash to start planning next year's budget. The group is considering committing to donating \$35-40,000.00 this coming year to the library. Last year they committed to \$30,000.00 and gave a bit more. He also advised online sales are transitioning from Bob and Mary Jane Ferret to other Friends, and the sale books will be kept at the library. Currently the group is reviewing prices and inventory. He stated the group is requesting CD's for sale. The 1960-70's rock, as well as jazz, are the best sellers right now. Finally, he advised that the Holiday Sale will have expanded hours. Currently looking at November 18th, 2023, from 11 a.m. to 5 p.m., and November 19th, 2023, from 1-4 p.m.

Report of the Library Director

Ypsilanti District Library
Board of Trustees Meeting
Minutes, October 25, 2023 (Unapproved)

Director Hoenig started off her report with a big thank you to the Friends of the Library, whose generous \$6,500.00 donation closed out the capital campaign to build the new Superior Library branch. Currently the pledge payments are the only outstanding items for the campaign.

She also discussed the A2Y Chamber's Early Edition breakfast, which she and Joy Cichewicz attended on October 18th. They met Mike Smith, Chief Imagineer and Owner of MI-HQ, whose group has an exciting vision to uplift Ypsilanti with a state-of-the-art medical center and a high-tech incubator. Festivals and other events will be planned in an outdoor courtyard, and the facility includes a 160-seat amphitheater. Mr. Smith told them he loves libraries and is looking forward to partnering with Ypsilanti District Library.

Director Hoenig attended the Superior Township Board Meeting on October 16th. She is pleased with the proposed plan for the payback of the Harris Road widening costs. However, the Superior Township Trustees decided to put this item on their November agenda. If approved, Director Hoenig believes the library Board will need to approve as well.

The Bookmobile was at Michigan Avenue last Friday, to provide an opportunity for residents to utilize library services. And the "boo"mobile will be there this Friday with extended hours for Halloween Downtown.

Director Hoenig advised our first implementation meeting for the new ILS is coming up. She followed this with the just delivered, exciting news from Trustee Williams that Washtenaw County would like to contribute, if not pay entirely for, the ILS acquisition to make library services more accessible. The Board was very appreciative of this news and thanked the effort by the County.

The Board then discussed some of the performance indicator numbers from the dashboard to clarify their understanding and provided suggestions.

Old Business

- A. Discussion of possible Michigan Avenue structural changes with Kyle Keaffaber, Architect

Mr. Keaffaber provided an update on the current status of costs and timeline for the Michigan Avenue restoration. The structural improvements required for a third floor addition include adding 13 new columns and footings in the basement. However, the lead time for this would likely push the library opening date further out. The Board followed this up with a robust discussion of the current plans and how these items further impact the cost and time schedule. The Board has a priority to open the Michigan Avenue branch as soon as possible, however, they don't want to miss potential cost savings that may be available to do the work now while the facility is opened up and being remediated from the water damage.

After discussion, Trustee Winborn made a motion to get a quote from Phoenix Contractors for the cost and timeline for the renovations, and specifically whether this work would go past June 1st, 2024. Trustee Williams seconded this motion. The motion passed 6-0.

New Business

E. Whittaker roof flashing repairs

YPSILANTI DISTRICT LIBRARY

RESOLUTION NO. 2023-42

October 25, 2023

RESOLUTION TO AUTHORIZE THE REPLACEMENT OF ROOF FLASHING
AT WHITTAKER ROAD

Whereas, the Library maintains a Capital Asset Replacement Fund to provide for higher-cost building maintenance and repairs necessary from time to time, and

Whereas, upon investigation, one of the new leaks at the Whittaker Road Library was found to be due to failure of the seal between the flat roof and the masonry, and

Whereas, Terracon Consultants has provided a scope document to complete the repair, and

Whereas, Industrial Services, Inc. (IS1), has submitted a proposal to replace the roof flashing and repair the leak, Now Therefore

IT IS RESOLVED BY THE YPSILANTI DISTRICT LIBRARY BOARD that:

The Library Director is authorized to engage Industrial Services, Inc. as described in the attached proposal for a cost not-to-exceed \$20,000.

BE IT FURTHER RESOLVED that

The Capital Asset Replacement fund shall be used for this project.

F. Discussion of Board communications priorities

The Board participated in a robust discussion regarding the notification and dissemination of information to board members regarding incidents taking place at the library. After discussion, it was decided that for the next month, the Library Director will send a brief email to the Board if and when authorities are called to the scene, indicating whether the matter has been resolved. It can be evaluated next month when all are in attendance.

G. Discussion of Director evaluation process

The Board discussed the current evaluation process and possible alternatives. It was decided to use the same evaluation process as last year, but the Personnel Committee should look at other options mid-year 2024, when there is more time to explore options.

BOARD MEMBER COMMENTS

Trustee	Comment
Trustee Cooper	No Comment
Trustee Steimel	Kudos to Jodi Krahne for her scheduling of additional employees from Michigan Avenue by their own personal interests. He also hyped up the intergenerational art program, as well as the bookmobile parking downtown every Friday.
Trustee Winborn	Just started interviewing for the Washtenaw County Food Growers, and in January or February that project should be posted on the library website.
Trustee Maddix	Looks forward to seeing as many people as possible at Halloween Downtown.
Trustee Williams	Advised he had a conversation on October 23 rd with a group of Ypsilanti business owners. The discussion involved how the County could support the businesses along Michigan Avenue more by driving more foot traffic into the area. The Michigan Avenue closure and popularity of Halloween Downtown and the Tree Lighting were discussed.
